**92** Robert Parker's  
**Wine Advocate**

"It has a very composed, **mineral-rich** bouquet with intense **black cherry** and **blueberry** fruit mingling with **crushed violets** and **orange zest**. The palate is **full-bodied**, with **succulent ripe tannins** that are very harmonious. This is very well-controlled, with lovely, sweet, **ripe dark cherries**, **spice** and **citrus lemon** on the spicy finish." - *N.M.*
