---

“It is a **happy, aromatic, fresh Malbec**, very approachable, with notes of **violets** and **red and blue berries**. The **oak is well-integrated** into the wine and it is perceived in the shape of **sweet spices**, which complement the flavors in the medium to full-bodied palate, which lean toward **red fruit (strawberry)**. An approachable, pleasant, fresh Malbec. Drink now-2019.” L.G
