“notes of **black cherries, creamy oak, vanilla** and **sweet spices**. The **full-bodied** palate shows a combination of the **round, sweet tannins** from the Malbec and the more austere ones from the Cabernet, with **supple fruit**, and a **long, intense finish**. A powerful Cabernet rounded by the Malbec. **If you like powerful, concentrated wines, this is one of the best.** Drink 2016-2025.” – L.G.
